# St Stephens Community Academy Fortnightly Family Newsletter

*"Together towards a bright, positive and successful future"*

Friday 14th July 2017

Dear Parents,

It's nearly the end of the school year. Every year we think it goes quickly. I would like to take this moment to thank everyone for their support of the school. The classes have been busy with events and I know the children are excited about next year in many ways. Within this newsletter there is information about the coming year. Please note that we had no choice but to send out a letter to kindly ask for donations towards the events from the year. Sadly we are in a position, like all schools, that if we do not get enough donations we will have to consider cancelling events. Please do come and speak to our office who are happy to help in many ways. It is always best to come and speak to us in person.

Regards, Mrs Saunders

## Academy School Improvement:

This fortnights focus has been on data. Children have been completing assessments to support end of year judgments. A special congratulations to Foundation who have achieved 86% of children at Good Level of Development with National normally around 60%.

### **Visit Payments– Events will be cancelled if we do not have enough money**

You may have received a paper letter recently with regards to payments or donations. This is in relation to the newsletter information from last fortnight.

Please note that due to government funding cuts we cannot support trips and events next year. All money will have to be in two weeks before an event e.g. trip or residential. Without enough funds, the trip will be cancelled. Whilst we acknowledge trip payments are a donation we cannot afford to run trips without these contributions. If you would like your child and class to take part in events please ensure that you pay. Please note that the pre school, breakfast club or school meal payments have to be made and we can issue payment warnings for this and take legal proceedings. Finally, please note that after school clubs will most likely have a payment to cover the adult leading the event in future.

### **Staffing for September 2017**

Please find below staffing information for September. All children will be in their new class for a day on Tuesday 18th July 2017. Please note Mr Hunt and Mrs Hunt are not related!

Year Group	Teacher/s
Foundation	Mrs Hobbs- Mon- Tuesday Miss Moore- Wed- Friday
Year One	Mrs Morris- Torr/ Mrs Lumby
Year Two	Mrs Hooper/ Mrs Gilbert
Year Three	Mr Hunt
Year Four	Mrs Hunt
Year Five	Mr Bullock
Year Six	Ms Neale/ Miss Calcutt

### **Parking**

Please could all parents refrain from parking outside the school until at least 2.45pm. We have also received complaints about cars blocking and using driveways, parents using inappropriate language and refusing to move when asked. We ask that you show respect to our neighbours and their property.

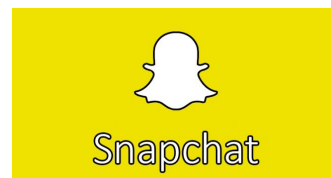

### **Congratulations**

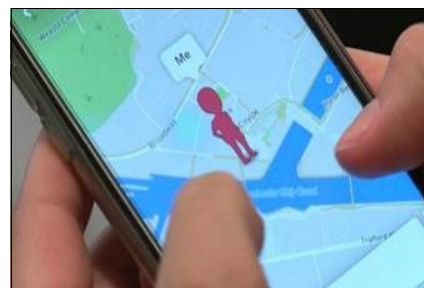

Congratulations to Mrs Morris– Torr who will be joining us in Year One next year. Mrs Lumby will be teaching on Monday to provide Mrs Morris–Torr with her statutory release time. Mrs Morris–Torr is very excited to be joining our team here at St Stephens. She will be here to meet you all on Tuesday 18th July 2017.

### **Thank you**

A special thank you to Miss Thorp for teaching our Year One class this year. We wish her the best of luck in her future endeavours. Year One have thoroughly enjoyed having her as a teacher.

Snap Chat updated their social media app to include a maps feature, called Snap Maps, that enables other people to see exactly where you are and what you're doing. They say that 'Only the people you choose can see your location', 'By changing your location setting to Ghost Mode, your location won't be visible to anyone else on the Map' BUT – WARNING 'Snaps you submit to Our Story can still show up on the Map, regardless of the location setting you choose!'

This was an automatic update and many young people with smart phones who use this app may not even realise that the function is revealing where they are and what they're doing. Please talk to your child about the safeguarding dangers this presents to them and their friends. Please see e-safety on our website for further details.

### **Wildflower Meadow Bursts into Bloom!**

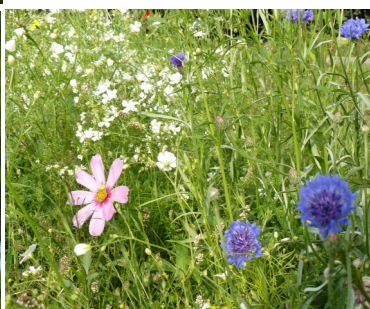

After a long, anxious wait, our wildflower meadow has suddenly burst into life! It presented quite a challenge to get the whole area rotovated back in the wet, winter months and we were all beginning to doubt whether the seeds were going to take - or win the battle with the grass and buttercups! However, poppies, cornflowers, field marigolds and pignut are now all flourishing, as well as some rogue cosmos and a few other yet-to-be-identified species! If you wish for a peep, look over or through the fence on the right as you enter the main office entrance.

It was fantastic that the flowers opened in time for Y2 to release their butterflies, and children have spotted bees, butterflies, hoverflies and other pollinating insects, already making their way to the patch.

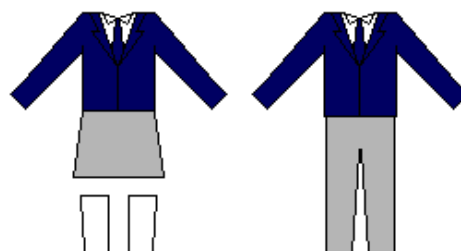

Children of several year groups have all tried their hand at photographing the meadow ... look out for some of the results on the website and around the school.

Thank you so much to all the parents and children who helped bring this project to fruition.

### **School Uniform**

Please can we remind everyone that children do need to wear school jumpers. We have many jumpers in our lost property which you are welcome to come and check. All items should be named to help them be returned to their rightful owners. Please ensure children are ready for September with the correct school uniform. Information can be found on the website.

### **Dogs near/ on school site**

Please can we kindly remind everyone that dogs should not be on the school site. Can we kindly ask that when dogs are near the school you ensure that they aren't leaving their dog mess near the site. We have had occasions where the dog mess has been walked in by children and parents. We are sure you would agree this is not nice for anyone. Many thanks for your co-operation.

### **Poetry By Heart Competition**

Class 6 have been busy learning poems by heart over the past few weeks. Thursday was competition day and the performances were excellent. Issy Paul, a former pupil and National finalist of the Poetry By Heart Competition, judged the performances - it was a very difficult task. The winner was Cameron with his performance of 'If I were a Carrot,' by Berlie Doherty, and received a poetry book as his prize. Runner up was Chennai's performance of 'Miss Lucy had a Baby,' by Anonymous. A fantastic well done to everyone.

### KS1 work this week

This week Key Stage One have had a fantastic time cooking and baking goodies for the Teddies bear picnic. They made corn-flake cakes, mini pizzas, bread rolls, and much more! Thank you to Chartwells for donating lots of the food that we have used and thank you to any parents and carers that came today to picnic with your children.

### New Librarians

Last week interviews took place for new librarians. The following children were chosen because they were able to talk about how they would like to improve the library in the future, as well as their favourite books and authors.

Maciej, Cody, Martyna, Jamie, Ollie, Zinzan, Logan B

Congratulations to the above and thank you for all those who applied.

### Smiles and Laughter for Year 6 at PGL

## Pre School

We are coming to the end of another very busy school year and we are planning to end the year with a 'messy play week'. Please make sure your child comes with spare clothes. We are looking forward to our coffee morning on Monday 24th July for the parents and children who are leaving us for 'big school'.

Pre-School finishes for the summer holiday on Friday 21st July and we will return on Wednesday 6th September. All the team wish you a happy and fun filled holiday and look forward to seeing you all again soon.

## SPACE Summer Holiday Activities 2017

*Activities for 5 - 12 year olds*

To book a place please contact the SPACE office on:

01726 817 211 or e-mail  
[cornwall.space@actionforchildren.org.uk](mailto:cornwall.space@actionforchildren.org.uk)

Places are limited to 15 per activity day with 1-2-1 support for 4 children or young people. A referral form will need to be completed before a child attends an activity day, so that we can best meet their needs.

Unless stated, each activity day costs a voluntary contribution of £10. Each activity runs from 10am - 4pm.

If you have any questions or would like some further information, please do not hesitate to call us.
