<p>What I like about my school ...</p> <p>I like my school because it is a rights-respecting school where everyone is kind and treated fairly. The teachers are helpful, understanding, and never shout. They listen to our feelings and make sure we are all seen and heard. I enjoy our one-hour lunch break, the fun school trips, and the many clubs we can join. Learning is fun, especially in subjects like Maths, English, Art, PE, History, Science, RE, Spanish, and more. I also like quiet reading time and immersive writing. Our school keeps making good changes, and we all support and care for each other.</p>					

What I would like to change at my school ...

I'd love to have more wildlife around the school and more equipment like swings and climbing frames. It would be great to have more snack options at break and more variety in reading choices, including the chance to read outside. Having outdoor classrooms would make learning even more enjoyable. I also think we need more glue sticks, whiteboard pens, and pens.
