

Year 1 - Home Learning Grid
Spring 1 - Communication in World War 1

In addition to daily reading, please complete one of the English or Maths activities each week (they can be done in any order). Please choose at least one of the topic activities to complete over the next 4 weeks. Learning can be recorded in any format in addition to your home learning book (e.g photos, models etc). Please can home learning be handed in by Wednesday and I will return it on the Friday.

	1	2	3	4
Maths	Practice reading and writing numbers from 0 - 20 in numerals and words.	Create a number line starting at 10 and finishing at 20.	Roll a dice, can you count the number of spots and work out what 'double' the number of spots would be?	Write down the number bonds to 20.
English	Practise reading the Year 1 common exception words.	Practise writing the descenders - long letters - q, y, p, f, g, j,	Choose 3 different common exception words, can you put them into sentences remembering your capital letters, finger spaces and full stops?	Research and write some information about how animals, particularly dogs, are used for search and rescue purposes during natural disasters such as earthquakes and avalanches, and also as service and assistance animals for those with disabilities.
Topic (Independent)	Read and discuss the information on the knowledge organiser. Is there any new information or vocabulary you have learnt?	Discuss with older members of your family ways that they used to communicate with other people when they were growing up - could they text and email?	Create a junk model using a variety of materials from your recycling.	Can you research some different buildings from around the world - what building is the tallest? Where is it located? What is your favourite structure that you have seen?
