## **Supporting Readers at Home**

The Oper University

**Open University** research suggests there are three important ways to support readers and a love of reading.

THE VERY HUNGRY ERPILLAR

Reading aloud to your children shows them reading is a pleasure, not a chore. Older children can read to younger ones too.

Family **Reading Time** 

Making time to read alongside one another helps develop children's reading stamina and interest. Let them choose what to read and relax together.

Children who read, and are supported as readers, develop strong reading skills and do better at school.

**Book Chat** 

**Book Chats** encourage readers. Invite them to make connections and share their views. Join in with your thoughts too!

I wonder if...why... what...who...
